

PARTNERS

BURRIS LOGISTICS

Since 1925, we are the family-owned, warehousing, direct-to-consumer fulfillment, and distribution operational brand. Our dedicated Team Members offer a complete suite of supply chain services — leveraging technology and customer service, making us truly **ONE PARTNER. MANY SOLUTIONS.®**

With distribution centers across the country, we can serve our partners with the kind of care that you would expect from a trusted team. Our services scale with you, allowing you to run your retail, foodservice, manufacturing, retail, or e-commerce business, while we handle the rest.

- Direct-to-Consumer Fulfillment with national parcel shipping reach in two days or less
- Precise temperature-controlled warehousing capability for a variety of products
- Dry/Ambient storage to support food, machinery, supplements, paper, automotive parts, chemicals, and more
- Distribution expertise providing customized solutions as an extension of your supply chain
- Full-service multi-category or limited category programs
- In-house Logistics Technology for system integration, warehouse management, and custom applications
- Inbound/Outbound freight brokerage capability
